PROPERTY INFORMATION REQUEST – 2020 for Residential Properties

If you have already provided this information, please disregard this notice

Delaying this Information Request can dramatically affect the overall outcome of your appeal

1. If your property was purchased within the last 2 years, please provide a copy of the Closing (Settlement) Statement
2. If your property was appraised during the last 2 years, please provide a copy of the Appraisal Report
3. If your property **needed** major renovations/repairs (over \$50,000) as of January 1, 2020, please list estimates for each repair and photos of each area
4. If your property currently has or had environmental contaminants during the last 2 years, please send the reports indicating such contaminants and any cost estimates to remediate
5. If your property is currently on the market, please indicate the listed asking price
6. Please provide any additional information that you feel may negatively impact your property valuation

Please return this form and any requested information as soon as possible to:
